Building 10, Room 206

Monday - Thursday

8:00 am - 4:00 pm

Friday

8:00 am - 12:00 pm

**Tuesday & Thursday
Evening**

5:00 pm - 8:00 pm

**Re-Registration for
Current Students Begins:**

August 2, 2010

Open Registration Begins:

August 9, 2010

Term Begins:

August 23, 2010

Term Ends:

January 21, 2011

**See the calendar
on page 18**

TO GET STARTED. . .

First, Attend an Orientation

Monday & Thursday at 2:30 pm; Tuesday evenings at 5:30 pm (1st and 3rd Tuesday of the month)

Arrive at least 10 minutes before the start time

Office of Admissions, Building 10, Room 206

For online orientation, go to www.atlantictechcenter.com and click on "How to Apply"

Next, Take the Basic Skills Assessment

Pre-register at least one (1) day prior to taking the test

Office of Admissions, Building 10, Room 206

Photo ID & \$10 Testing Fee (CASH) are required for initial testing.

Test Times

Monday, Wednesday, Thursday at 1:30 pm; Tuesday at 9:30 am and 5:30 pm

Arrive at least 15 minutes before the start time

Building 19, Room 279

Photo ID required for testing and results.

**Fees are
based on the
number of days
& hours
in the term**

Counselors

Chandler White – 754-321-5183

Business Management & Administration; Information Technology Programs

Accounting Operations • Administrative Assistant
Business Computer Programming • Court Reporting
Medical Administrative Specialist • Multimedia Design
Network Support • PC Support • Web Design

Karen Russo – 754-321-5188

Automotive/Transportation Programs

Auto Collision Repair
Automotive Service Technology
Toyota TTEEN (Advanced Automotive)

Hospitality & Tourism Programs

Commercial Foods and Culinary Arts

Manufacturing Programs

Computer Systems • Machining • Welding

Susan Tretakis – 754-321-5187

Architecture & Construction

Air Conditioning • Drafting • Electricity

Green Ready Institute - For information:

www.oicofbrowardcounty.org/greenjobs.html

LEED Green Associate Exam Preparation
Weatherization Technician and Installer
Solar Thermal System Designer & Installer - Skilled
Solar PV System Designer and Installer - Skilled
Solar PV System Installer - Entry Level

Health Science Programs

Central Service Tech • Dental Assisting
Health Unit Coordinator/EKG Aide • Hemodialysis
Medical Coder/Biller • Patient Care Tech
Pharmacy Technician • Practical Nursing
Psychiatric Technology (Mental Health Tech)

HEALTH SCIENCE/MEDICAL

COUNSELOR 754-321-5187

In accordance with requirements set forth by (JCAHO) the Joint Commission on Accreditation of Healthcare Organizations and the Jessica Lunsford Act, students applying for entrance into any health science program that requires a clinical experience in a hospital, nursing home or other health care facility must submit to a Level II criminal background check and take a drug screening test.

The applicant is responsible for paying the costs for both tests. The results of these tests may prevent the applicant from entering the program. This denial of entry into a program is necessary because the student must be cleared to access clinical facilities for training purposes that are required as part of the instructional program.

Prospective students without a valid social security number may encounter difficulties with licensure programs. Please contact the program counselor for specific information.

Additionally, all students entering or re-entering the Practical Nursing program must take the Test of Essential Academic Skills (TEAS) and meet minimum requirements.

Registration for health classes may vary by program. For specific registration information, please contact the program counselor: susantretakis@browardschools.com

Central Service (Sterile Processing) Technician (VA) - 500 hours (approx. 6 months)

Learn to prepare instrument trays for surgical procedures, sterilize equipment and inventory control of sterile goods for employment in hospitals and surgical outpatient centers. Qualified students may articulate into Surgical Technology programs. Certification exams available to students: Certified Registered Central Service Technician, Certified Sterile Processing Distribution Technician and Florida Ready to Work. New Students: August 2010

College Credit Eligibility -- In many programs, students who have met all eligibility requirements to become a program graduate may also be awarded college credits from Broward College and other Florida colleges/community colleges towards an AS or AAS Degree. See your program counselor for details and conditions.

Guarantee for Success -- Atlantic Technical Center (ATC) is committed to teaching the skills you need for the career you want. We are proud to stand behind our graduates and the education they receive. To demonstrate our support, we offer the Guarantee for Success Plan. If a graduate of ATC does not pass the identified, entry-level, industry certification test in his or her field of study, the student is invited to return for additional training and/or test preparation at no additional cost. See your program counselor for details and conditions.
